syllabus that are required for the Multiple Choice Examination. It was designed for form 4, form 5, form 5 repeaters, adults and private candidates to use. It is extremely user friendly and allows quick learning for all those who use it. It was already tested in the classroom with repeater students who had previously failed the subject and others who did the subject for the first time. The MAIN FEATURES of this book are: Absolutely no textbook is required to complete the answers. Absolutely no classes or tutoring are needed. Students can save this cost. There are many questions that will help to reinforce the content. A vocabulary section is given at the front of the book, which will help students to answer many questions. Although this book has been designed for Caribbean CSEC students, all the answers can be found on the Internet. By simply typing a question on a search engine or on an AI application, such as Copilot on MSN, AI Mode on Google and Meta AI, answers will be seen. Students can complete this

book within two weeks once they use a computer. Students who are familiar with the contents from their textbooks will also be able to complete the book in two weeks. Private Candidates can use this book independently and grasp a lot of information. A tutor is not needed if someone wants to use this book with a computer. Teachers who are giving crash courses can use the book with their students and they will be able to work through all the tests within a week or two, depending on their pace. Anyone who uses this book will learn something and those who enjoy doing Agricultural Science will benefit tremendously.
