The Digital Economy Edward J. Malecki 2007-12-07 This book provides an up-to-date account of the technologies, organizations and dynamics which constitute the digital economy, and assesses the impacts they have on regions and communities.

E-commerce Kenneth C. Laudon 2007 In today's evolving business environment E-commerce: business. technology. society. introduces students to the concepts and practice of electronic commerce. This book emphasizes the three major forces behind e-commerce: business fundamentals, technology opportunities, and social issues. In every chapter these three themes come alive with the discussion of e-commerce concepts in the areas of economics, marketing, and information technology, and with the presentation of real-world e-commerce business cases and stories. The result is a coherent framework for organizing a complex topic, which promotes a clear understanding of how e-commerce is evolving. Book jacket.
