Don Quixote Explained Reference Guide

Emre Gurgen 2014 *Don Quixote Explained* the Reference Guide analyzes the Life and Times of the Ingenious Hidalgo Don Quixote De La Mancha. Specially, it scrutinizes the novel's: 110 characters; 46 relationships; 19 themes; 12 groups of people; 30 obscure words; 23 Latin phrases; 4 major jokes; 4 scene sequences; 78 Quixotic poems; 17 Quixotic letters; 2 physical objects; 11 romantic relationships; and 35 regular relationships. At 161, 917 words, it is the most comprehensive, in-depth and insightful primer on the market. Perfect for serious academics writing books and/or journal articles about Don Quixote; useful for aspiring doctors writing "Don Quixote" dissertations; practical for budding scholars writing master's theses about "Don Quixote"; convenient for college bachelor's writing "Don Quixote" term papers; and handy for high school students writing "Don Quixote" essays for their teachers.

The Universal Self-instructor and Manual of General Reference Albert Ellery Berg 1883 "The Universal self-instructor is nothing less than it pretends to be: an Epitome of Forms, especially adapted for purposes of self-instruction and general reference in the various departments of Education, Commerce, Law, Home, Society, and Amusements. Every young man and young woman ; every business man, farmer, and mechanic ; every housewife and lady of society ; -in fact every intelligent member of the community should have it within reach for consultation on those numerous minor matters that a well-educated person is supposed to know. The Reading Public has been amply supplied for years with reference books of every description, but the present volume may be said to occupy a field peculiarly its own, as the people have never before been furnished with a publication embracing in a single volume such a quantity of practical information, and treating the wants of every-day life in a lucid, instructive and agreeable manner. Such articles as Elocution, Penmanship, Book-keeping, Letter-writing, Mercantile Law, Music, Stenography, Phrenology, Agriculture, Social Etiquette, Outdoor Sports, In-door Amusements, Physical

Culture, The Domestic Circle, Household Receipts, Parliamentary Law, etc., have been prepared by writers of reputation and large experience in the special subjects given them for treatment"--Preface.
