College Algebra, Student Solutions Manual

Cynthia Y. Young 2006-01-17

Take the fear out of math once and for all! By following a distinctive approach in explaining algebra, College Algebra helps alleviate the readers' anxiety toward math. The book encourages them to develop sound study and problem solving skills. In order to make the material more accessible, examples are integrated throughout the chapters that contain more detailed annotations using everyday language. Also, after an example is presented, an exercise is typically included to help readers apply the material right away in order to reinforce the concepts.
