A Bartender's Guide to the  
World Lauren Mote 2022-10-25

Transport your glass around  
the globe with more than 75  
cocktail recipes from one of the  
world's premier bartenders.

Grab your glass and let's go!

For over 20 years, Lauren Mote  
has tended bars and traveled  
the world, often as one of the  
only women in a male-

dominated industry. She's  
developed cocktail recipes,  
sought out new ingredients,  
and gathered stories along the  
way. Now, in her first book,

Lauren is inviting readers and  
home bartenders to pack their  
suitcases and come with her on  
an international cocktail

adventure. Few bartenders can  
match Lauren's encyclopedic  
knowledge of spirits, liqueurs,  
and tinctures, not to mention

her originality for blending  
them into a perfectly-balanced

drink. Once you've gotten a  
handle on the basics of  
bartending, and gathered your  
cocktail shaker along with a  
few other pieces of equipment,  
you'll be raising your glass in  
no time. The recipes are  
organized by their star  
ingredients, such as agave, gin,  
whiskey, rum, vodka, and  
more. Every drink is given its  
own designation of standard,  
mid, low, or zero proof, and  
you'll find a whole chapter on  
nonalcoholic cocktails, because  
Lauren feels strongly that all  
drinks should be prepared with  
care, whether they include  
alcohol or not. Once you've  
narrowed down the base that  
you're in the mood for, let  
Lauren's magnetic storytelling  
and gift of the gab continue to  
guide you. In each chapter,  
you'll find a collection of Mise  
en Place Recipes to help you  
build up your bar's basic  
ingredients and make Lauren's  
techniques your own. With  
beautiful storytelling and  
photography, and cocktail  
recipes you won't find  
elsewhere, A Bartender's Guide  
to the World is as much a

The Bar and Beverage Book explains how to manage the beverage option of a restaurant, bar, hotel, country club—any place that serves beverages to customers. It provides readers with the history of the beverage industry and appreciation of wine, beer, and spirits; information on equipping, staffing, managing, and marketing a bar; and the purchase and mixology of beverages. New topics in this edition include changes to regulations regarding the service of alcohol, updated sanitation guidelines, updates to labor laws and the employment of staff, and how to make your operation more profitable.
