### **Safety Professional's Reference and Study Guide**

W. David Yates 2017-12-12 While there are numerous technical resources available, often you have to search through a plethora of them to find the information you use on a daily basis. And maintaining a library suitable for a comprehensive practice can become quite costly. The new edition of a bestseller, *Safety Professional's Reference and Study Guide, Second Edition* provides a single-source reference that contains all the information

required to handle the day-to-day tasks of a practicing industrial hygienist. New Chapters in the Second Edition cover: Behavior-based safety programs Safety auditing procedures and techniques Environmental management Measuring health and safety performance OSHA's laboratory safety standard Process safety management standard BCSPs Code of Ethics The book provides a quick desk reference as well as a resource for preparations for the Associate Safety Professional (ASP), Certified Safety Professional (CSP), Occupational Health and Safety Technologist (OHST), and the Construction Health and Safety Technologist (CHST) examinations. A collection of information drawn from textbooks, journals, and the author's more than 25 years of experience, the reference provides, as the title implies, not just a study guide but a reference that has staying power on your library shelf.

### **Pharmacotherapy Principles and Practice Study Guide, Fourth Edition**
