The Healthcare Interpreter Exam Playbook (2026-2027) Russell Clapton Tearaway Pass Your Healthcare Interpreter Certification Exam on the First Try Most certification study guides give you terminology lists and generic advice. This one gives you a complete exam strategy built on the actual exam blueprints, with more practice questions than any competing resource on the market. Whether you are pursuing CoreCHI, CHI, CoreCHI-P, Hub-CMI, or CMI certification, this playbook was designed for the working interpreter who needs a single resource that covers everything. 1,000+ Practice Questions Across Five Full-Length Exams Every question includes a detailed answer explanation that teaches the reasoning behind the correct response, not just what to bubble in. Complete Domain-by-Domain Review Each chapter delivers a thorough review of the content that certification exams actually test: interpreter ethics and the nine NCIHC principles, encounter management across all four interpreter roles, medical terminology organized by body system, U.S. healthcare systems and insurance, federal language access laws including Title VI, HIPAA, ACA Section 1557, and the CLAS Standards, and cultural responsiveness strategies grounded in cultural humility rather than memorized stereotypes. Oral Exam and ETOE Preparation Included Go beyond the written exam with targeted preparation for the CCHI CHI bilingual oral exam, the NBCMI CMI oral exam, and the ETOE performance exam required for the CoreCHI-P credential. Includes sight translation passages, consecutive interpreting scenarios, shadowing drills, and memory capacity exercises. Built for the 2026-2027 Exam Cycle This is the only study guide that addresses the CoreCHI sunseting timeline, the transition to CoreCHI-P, and the latest exam specifications. Includes 30-day, 60-

day, and 90-day study schedules, test-taking strategy chapters with elimination techniques and anxiety management, and quick-reference appendices for terminology, abbreviations, ethics, standards, and federal laws. Written for interpreters who are serious about certification and ready to invest in the most comprehensive preparation resource available.
