alphabet, derived from a Semitic consonant that represented a sound similar to the English h, Greek ε, and Latin E. The original Semitic character may have derived from an earlier ... The fifth letter of the English alphabet, called e and written in the Latin script. In computers, the letter E is often used to start other words to mean "electronic", like in e-mail or e-commerce. In money, E is commonly used as a symbol for the euro when the symbol € is not available. The letter E often appears with accents in languages like French, Spanish, Portuguese, Italian, German and others. These marks change the sound of the letter or help show which syllable is stressed. E (minuscule: e) is the fifth letter and the second vowel letter of the Latin alphabet, used in the modern English alphabet, the alphabets of other western European languages and others

worldwide.
