Hey, Whipple, Squeeze This Luke Sullivan 2016-02-01 The classic guide to creating great advertising now covers all media: Digital, Social, and Traditional Hey Whipple, Squeeze This has helped generations of young creatives make their mark in the field. From starting out and getting work, to building successful campaigns, you gain a real-world perspective on what it means to be great in a fast-moving, sometimes harsh industry. You'll learn how to tell brand stories and create brand experiences online and in traditional media outlets, and you'll learn more about the value of authenticity, simplicity, storytelling, and conflict. Advertising is in the midst of a massive upheaval, and while creativity is still king, it's not nearly enough. This book is an essential resource for advertising professionals who need up-to-date digital skills to reach the modern consumer. Turn great ideas into successful campaigns Work effectively in all media channels Avoid the kill shots that will sink any campaign Protect your work Succeed without selling out Today's consumer has seen it all, and they're less likely than ever to even notice

your masterpiece of art and copy, let alone internalize it. Your job is to craft a piece that rises out of the noise to make an impact. Hey Whipple, Squeeze This provides the knowledge to create impressive, compelling work.

The Johns Hopkins Guide to Digital Media Marie-Laure Ryan 2014-04-15 The first systematic, comprehensive reference covering the ideas, genres, and concepts behind digital media. The study of what is collectively labeled "New Media"—the cultural and artistic practices made possible by digital technology—has become one of the most vibrant areas of scholarly activity and is rapidly turning into an established academic field, with many universities now offering it as a major. The Johns Hopkins Guide to Digital Media is the first comprehensive reference work to which teachers, students, and the curious can quickly turn for reliable information on the key terms and concepts of the field. The contributors present entries on nearly 150 ideas, genres, and theoretical concepts that have allowed digital media to produce some of the most innovative intellectual, artistic, and social practices of our time.

The result is an easy-to-consult reference for digital media scholars or anyone wishing to become familiar with this fast-developing field.
