Oaten Reeds and Trumpets Donald Maurice Rosenberg 1981 Thorough study of the essential interdependence of the pastoral and epic genres. Proceeds historically from Virgil tracing the evolution of the heroic toward the increasing accommodation of the pastoral. Establishes principles for interpreting the works of major poets who set out to resolve the tensions between imagination and reality, contemplation and action, poetry and prophecy.

Math Instruction for Students with Learning Difficulties Susan Perry Gurganus 2021-11-29 This richly updated third edition of Math Instruction for Students with Learning Difficulties presents a research-based approach

to mathematics instruction designed to build confidence and competence in preservice and inservice PreK- 12 teachers. Referencing benchmarks of both the National Council of Teachers of Mathematics and Common Core State Standards for Mathematics, this essential text addresses teacher and student attitudes towards mathematics as well as language issues, specific mathematics disabilities, prior experiences, and cognitive and metacognitive factors. Chapters on assessment and instruction precede strands that focus on critical concepts. Replete with suggestions for class activities and field extensions, the new edition features current research across topics and an innovative thread throughout chapters and strands: multi-tiered systems of support as they apply to mathematics instruction.

The Algebra Teacher's Guide to Reteaching Essential Concepts and Skills Judith A.

Muschla 2011-11-15 Easy to apply lessons for reteaching difficult algebra concepts Many students have trouble grasping algebra. In this book, bestselling authors Judith, Gary, and Erin Muschla offer help for math teachers who must instruct their students (even those who are struggling) about the complexities of algebra. In simple terms, the authors outline 150 classroom-tested lessons, focused on those concepts often most difficult to understand, in terms that are designed to help all students unravel the mysteries of algebra. Also included are reproducible worksheets that will assist teachers in reviewing and reinforcing algebra concepts and key skills. Filled with classroom-ready algebra lessons designed for students at all levels The 150 mini-lessons can be tailored to a whole class, small groups, or individual students who are having trouble This practical, hands-on resource will help ensure that students really get the algebra they are learning
