Produce Another Dumb

Instructor John Triggerfish

2011-05-23 John Triggerfish

nearly wound up dead at the bottom of the Indian Ocean.

Unfortunately for many women

and large succulent fruit he

survived, and decided to

further his diving education.

This is a story about doing the

dreaded instructor

development course in the wild

Yucatan peninsular. This is a

story about valiance, integrity,

true diving grit, and downing

vast quantities of cheap tequila

while being taught all the

diving skills one could ever wish to know by the demi gods

of the diving world. This is a

story about Bull sharks and life

in Sin City, Playa del Carmen,

Mexico. This is a story about

eventually gaining meaningful

employment in the diving

industry and finally Living the

Dream. And no matter where

you finally end up working,

always watch out for the

terrorists. Or is that the

tourists?

[55 Things Learned at 55](#) Philip Habacon 2025-05-29 By the time you've turned fifty-five,

you've lived a lot of life, had made a lot of mistakes, and learned a lot of lessons. Philip Habacon knows that perhaps better than anyone: he's been a young hellraiser growing up in the Philippines, a diving instructor in Thailand, a paramedic after immigrating to Canada, and a hunter in the cold Manitoba wilderness. From these rich experiences, he offers fifty-five stories ranging from hilarious to heartbreaking, each with an essential life lesson. An unflinching voice with an extensive range, Habacon delights with narratives of his exciting adventures and enlightens with his portrayal of the harrowing reality of PTSD (Post Traumatic Stress Disorder) facing Canadian first responders, and his uphill journey of mending his mental health and relationships. Honest and unforgettable, 55 Things Learned at 55 is an essential read for all students of life.
