The SAGE Guide to Writing in Criminal Justice Steven Hougland 2019-02-26 "The SAGE Guide to Writing in Criminal Justice provides students studying crime with a "how-to" manual for effective writing in institutions of higher learning, professional settings, public and private agencies, and beyond. It is an easy, accessible resource for anyone

hoping to learn the nuts and bolts of writing for criminal justice audiences." —Christina Mancini, Virginia Commonwealth University, Wilder School of Government and Public Affairs The SAGE Guide to Writing in Criminal Justice equips students with transferable writing skills that can be applied across the field of criminal justice—both academically and professionally. Authors Steven Hougland and Jennifer M. Allen interweave professional and applied writing, academic writing, and information literacy, with the result being a stronger, more confident report writer and student in criminal justice. Students are also exposed to a number of best practices for academic and professional writing, such as research papers, resumes and cover letters, and report writing. The perfect companion for any introductory criminal justice course, this brief text focuses on key topics that will benefit students in their classes and in the field.

Writing the Modern Research Paper Robert Dees 2003 Writing the Modern Research Paper is a practical and contemporary guide to writing research papers, offering students advice on how to think critically throughout the research process. Designed as a complete reference, this book offers a step-by-step guide to research, encouraging students to think carefully and critically about such issues as audience, topic, and thesis, as well as evaluating, integrating, and citing sources appropriately. The text covers both informative and argumentative purposes for doing research, including a full chapter on reasoning and evidence in argumentative research papers. Original and realistic student examples throughout show various approaches to the methods of planning and researching. This contemporary book offers full coverage of computer research technologies, extensive attention to the prewriting and planning stages of the assignment, and pedagogy designed to encourage students to work collaboratively. There is also unparalleled coverage of the major disciplinary documentation forms MLA, APA, CBE, and Chicago. The book also features examples from modern research sources (Citation Indexes, the Internet) not covered in other texts.

Research and Technology 2002

The Research Paper Audrey J. Roth 1989 More than just a research

guide, this text teaches the processes of creating a report and introduces students to the principles of good writing.
