its approach, making it ideal  
for undergraduate students as

Response is a flexible, brief  
rhetoric that offers a unique  
focus on the critical practices  
of experienced  
readers—analysis and  
reflection—the skills at the  
heart of academic writing. It

academic essays by showing  
how active reading and  
exploratory writing bring fresh  
ideas to light and how informal  
response is developed into  
polished, documented prose.  
Extensively class tested,  
*Writing in Response*  
emphasizes the key techniques  
common to reading, thinking,

and writing throughout the humanities and social sciences by teaching students the value of a social, incremental, and recursive writing process. Read the preface.
