

Army Form In Mafikeng

The Silent War Peter Stiff 1999 It is the ultimate book on South African military operations during the apartheid years. It deals with all the top secret raids by Special Forces into surrounding African states, the political dynamics which led to them and the turbulent history of the times.

The Hall Handbook of the Anglo-Boer War, 1899-1902 Darrell Hall 1999 Hall (d 1996), a South African and former member of the British Army, was an amateur authority on artillery. He carried out research in libraries and private archives in South Africa to write this history of the Boer War in South Africa.

Montshiwa, 1815-1896 S. M. Molema 1966 There was probably no black man in South Africa, whose name was so much in the mouth of the public and the press in the middle and

towards the end of the 19th century as that of Montshiwa (or Montshioa as it has been corrupted). There was certainly no better known African name in South Africa and England in those years commencing in 1880 and ending 1886, and no person was more admired, lionised, petted, courted, and caressed by the one European section, while he was at the same time hated, abused, cursed, villified and damned by the other section. Such is the person whose life it is intended to sketch in these pages - Montshiwa, chief of the Tshidi branch of the Barolong tribe.

South African Digest 1985

The Bang-Bang Club, movie tie-in Greg Marinovich 2011-03-01 The Bang-Bang Club is the story of four young photographers who covered the last years of apartheid, taking many

of the most memorable photographs of the period. In this stunning new book, the group's two surviving members recount their political, emotional, and personal journeys through these violent years as South Africa moved toward democracy. Along the way we accompany them on free-lance assignments to other war-torn regions, including the former Yugoslavia and the Sudan, where one member of the group shoots what has become a world-famous photograph of a starving child stalked by a vulture. The boldness that earned the group its nickname, that prompted them to rush headlong into dangerous situations in pursuit of an image, forces them to consider difficult questions that lie at the heart of their work: When does their sense of humanity overwhelm their ambition and professional duties? When do they put aside their cameras and their impartiality and get involved? These are the moral dilemmas that the Bang-Bang Club grappled with on a daily basis. ANC News Briefing 1989

Festival and Event Tourism Anukrati Sharma 2022-06-24 Festivals and events vary from small, neighbourhood celebrations through to mega gatherings, and both can be attractive to tourists. They come with their own unique challenges and opportunities however, which means destinations must carefully consider their responsibility to local people, and host them in a sustainable manner. Covering important issues such as the marketing, branding and promotion of events, this book also unravels the opportunities and challenges associated with sustainable festivals and events. It uses an array of case studies and a global author team to provide an important resource for tourism and event researchers and professionals.

Dictionary of British Military History George Usher 2009-01-01 From the invasion of Britain by the Danes through the battles of Hastings, Agincourt and Waterloo to the 21st century, this dictionary includes entries on battles, campaigns and famous commanders, as well as ranks, regiments, uniforms and weapons.

Historical Dictionary of the Anglo-Boer War Fransjohan Pretorius 2009 "The devastating war that raged on the South African veldt between 1899 and 1902 -- the first of the 20th century wars -- was small in comparison with the world wars. Yet it reveals many facets of military, political, and social issues. The conflict between the British Empire and the Boer settlers was in ways a precursor to what was to come. It saw vast changes in the organization, tactics, and weapons used by the British Army; had far-

reaching effects on the white political structure in the country; and stimulated Afrikaner nationalism, which might partly explain the introduction of apartheid. Historical dictionary of the Anglo-Boer war presents the history of this conflict -- also known as "the South African War", "the Boer War", and "the Transvaal War"-- Through a chronology, introductory essay, bibliography, and more than 600 cross-referenced dictionary entries covering a wide range of military, social, cultural, and political topics"--Page 4 of cover.

Museums flourished in post-apartheid South Africa. In older museums, there were renovations on the go, and at least fifty new museums opened. Most sought to depict violence and suffering under apartheid and the growth of resistance. These unlikely journeys are tracked as museums became a primary setting for contesting histories. From the renowned Robben Island Museum to the almost unknown Lwandle Migrant Labour Museum, the author demonstrates how an institution concerned with the conservation of the past is simultaneously a site for changing history.
