Helping Children Learn Mathematics Robert E. Reys 2008-12-15 "The ninth edition of this best-selling elementary math methods textbook continues the rich history of this book with a dash of new breath and a new contemporary design. It has been updated to reflect current recommendations, readings, and practices while maintaining the characteristics and features that have made it a popular choice of instructors. This new edition remains an invaluable text for students who are being introduced to teaching elementary mathematics. In addition, its depth also makes it appropriate for teachers to use as they continue to learn about teaching mathematics."--Publsiher's website.
