## **The Professional Lesson**

**Plan Book** Elaine Nmn Jones  
2005-04-12 There is a better way for teachers to plan effectively, have sufficient time to perform other important task, and yet be productive in the matter of helping students reach their greatest potential and higher. This gives teachers, a sense of satisfaction that promotes an avenue of clear creative thinking that in it self, minimizes stress and open a path of success that's second to none. The professional Plan book offers sections for writing goals, objectives, and space for 45 weeks of lesson plans, a substitute chart, a daily schedule chart, Seating Charts, a Grade Book with enlarged spaces and other features, Quarterly Test Data Charts to keep tract on how well your class is performing, Homework charts, enlarge type, and more for easy access, organization,

and documentation. The Professional Lesson Plan Book is designed to replace unnecessay staff development sessions and workshops that take up valuable planning time teachers need for pre planning goals, objectives, and lesson plans at the beginning and throughout the school year.It seriously requires full cooperation and support from the State, School Board of Education, Parents, and other administrative departments to synchronize reasonable and effective rules for teachers to abide by and making a sincere effort to leave most of their professional time to teaching and addressing the needs of each student.
