MATHEMATICS CLASS

NOTES GRADE X CBSE

This book is a structured and exam-focused companion designed specifically for students preparing for the CBSE Class X Mathematics examination. It presents the complete syllabus in a clear, concise, and systematically organized format suitable for quick revision, classroom reinforcement, and self-study. Each chapter is arranged to support conceptual clarity and problem-solving mastery. Core topics are broken down into well-defined sub-sections, ensuring that students understand the logical flow of ideas. Important theorems, identities, properties, and standard results are highlighted for rapid recall during examinations. The book includes:

- Chapter-wise

structured notes aligned with the CBSE syllabus

- Step-by-step explanations of key concepts
- Important formulas and identities compiled for quick reference
- Standard results and theorems clearly stated and emphasized
- Concept-based examples to strengthen application skills
- Simplified revision sections for last-minute preparation

Special emphasis is placed on building strong fundamentals in algebra, geometry, trigonometry, mensuration, statistics, and probability. The content is designed to help students develop analytical thinking, accuracy, and speed—essential qualities for board examinations. This edition serves as both a classroom support text and a compact revision guide, making it ideal for continuous assessment preparation, pre-board examinations, and final board exam revision. Clear presentation, structured

organization, and exam-oriented coverage make this book a reliable resource for achieving excellence in CBSE Class X Mathematics.
