**Writing for College: the Eight Step Program to Writing Academic Argument Papers Using the Template Method** Rebecca Smith 2012-04-13  
Writing for College: the Eight Step Program to Writing Academic Argument Papers Using the Template Method is designed to help students who have been needlessly struggling with writing for their college classes because they fail to understand how college writing differs from other types of writings. This book has two goals. One, to provide you, the student, with a template to follow in composing your own standard academic essay and two, to explain how and why you should follow the process of producing original researched academic essays when trying to prove competency in English writing in colleges and universities. You know how to write; what you need are the rhetorical skills to help you write better. This book can help.
