**Handbook of Happiness** Saamdu Chetri 2023-07-18 This book contains contributions from diverse perspectives and traditions that focus on reflections and happiness practices. It addresses diversity in happiness and eastern and western thoughts and practices by contributing authors from around the world from varied backgrounds. The book provides ample avenue for readers and researchers to broaden their horizons and deepen their understanding of various aspects of happiness culturally and conceptually. It opens opportunities for exploring and understanding how happiness can be practiced, experienced, taught,

and learned in various contexts, thus assisting both educators and interested readers to create opportunities for themselves or their students to engage in diverse and creative happiness explorations. This book is a crucial resource for teachers, educators, students, and researchers involved in the science and practice of happiness. It enables them to find new avenues to understand happiness from different perspectives, understanding inner and outer spaces and other dimensions of happiness. It serves as an essential reference for academicians in related fields of psychology, such as cross-cultural, social, and developmental, as well as in the upcoming field of happiness studies.
