"Auto" *Biography* Dason Wowk 2024-06-12 In late 2020, as the world prepared to leave an unforgettable year behind, Dason Wowk began planning a

one-of-a-kind project to bring some positivity to his friends and family during dark times. The idea was simple yet profound: every day for a whole year, starting on the first day of 2021, he would write a short story on social media about a vehicle that had left a mark on him. Wowk's "Auto" *Biography* compiles his stories and captures the essence of a lifelong passion for all things automotive, a love passed down from father to son with the gift of a tiny toy car. From a small tractor in his grandfather's yard to exotic dream cars at the racetrack, every vehicle tells a story. "Auto" *Biography* is not just about cars; it's about the power of memories and an enduring love for vehicles. Buckle up, take a ride through the author's incredible year of wheels and memories, and ignite your passion for the road ahead.
