[Lemon-Aid New Cars and Trucks 2012](#) Phil Edmonston 2011-12-03 Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack"

wiring, and mind-boggling depreciation Many 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underway Ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that "killed" its own electric car more than a decade ago You can save \$2,000 by cutting freight fees and "administrative" charges Diesel annual urea fill-up scams can cost you \$300, including an \$80 "handling" charge for \$25 worth of urea Lemon-Aid's 2011-12 Endangered Species List: the Chinese Volvo, the Indian Jaguar and Land Rover, the Mercedes-Benz Smart Car, Mitsubishi, and Suzuki

**What is Humanism and Why
Does it Matter?** Anthony B.

Pinn 2016-06-16 We live in a world of social, political, economic, and religious rupture. Ideologies polarise to fuel confrontation within communities, nations and regions of the world. At this point in the twenty-first century, humanism's focus on reason, ethics and justice offers the potential to rethink and re-engage in new ways. "What Is Humanism, and Why Does It Matter?" brings together leading humanist thinkers and activists to examine humanism and how it

can work in the world.

Humanism is often misunderstood. The movement includes both atheists and agnostics, who seek to make ethical sense of the world based on shared human values and a concern for human welfare, happiness and fulfillment. "What Is Humanism, and Why Does It Matter?" presents an overview and exploration of the meaning and nature of humanism, both as a philosophy and as a way of engaging with the challenges of the world.

Phil Edmonston 2018-02-03 A

Globe and Mail bestseller! • “Dr. Phil,” Canada’s best-known automotive expert, and George Iny walk you through another year of car buying. After almost fifty years and two million copies sold, Phil Edmonston has a co-pilot for the Lemon-Aid Guide — George Iny, along with the editors of the Automobile Protection Association. The 2018 Lemon-

Aid features comprehensive reviews of the best and worst vehicles sold since 2007. You’ll find tips on the “art of complaining” to resolve your vehicular woes and strategies to ensure you don’t get squeezed in the dealer’s business office after you’ve agreed on a price and let your guard down. And to make sure you receive compensation where it’s due, Lemon-Aid’s unique secret warranties round-up covers manufacturer extended warranties for performance defects. Lemon-Aid is an essential guide for careful buyers and long-time gearheads (who may not know as much as they think).
