Exploring Osaka David M. Dunfield 1993 A comprehensive English-language guide to the city of Osaka for business travellers and tourists alike. Second only to Tokyo as a banking and trade centre of Japan, Osaka is a centre of tradition and culture as well - the home of bunraku puppet theatre, for example - and is minutes by rail from Japan's ancient capitals of Kyoto and Nara. A variety of suggested sightseeing itineraries are included, as well as recommended museums, restaurants and hotels, a list of festival dates and sources of additional information.
