

A Harbinger S Tale

The Harbingers of Spring David Roller
2023-06-12 The Harbingers of Spring is fiction and is a tale of hope set in the surroundings of the author's grandfather's farm in Brown County, Indiana, of memories from the first decades of his life, born of childhood loneliness, amid things he would do if he had the choice to get people to come and visit. This book follows decades of the development of a festival in the Sweetwater Creek valley. It is a presentation of equality and diversity that follows a girl and boy in their pursuit of forbidden love. It presents a global input into a microcosm while the harbingers of spring, from the constellations to the flowers to the wildlife, to annual happenings, mark the growth and education of the two main characters. This education is punctuated by the genetic development of a grand champion bull and a bloodline of prized cattle and the production of mules. A world court is depicted that hears cases of the lovelorn, annually, and gives opinions up to and including the provision of weddings. The book depicts the conversations of all introduced characters from wherever to the constants of the rural setting: the rules of bathing on the porch in a washtub and spitting on one's finger to entice the butterflies and making a bed of two pairs of pants for lovemaking. The story expands out of harsh fundamentalism, the ugliness of the gangs of Great Britain, the old assertion that behind every great fortune lies a crime (Balzac 1834), the drug cartels, and the systematic destruction in the prisoner of war camps. Love does triumph. The driving force of the girl protagonist is the belief that if you have been denied of your own dreams, you should do whatever you can to help others not be denied their dreams. The Harbingers of Spring is a retelling of stories made up by the author to maintain interest by his wife in fighting leukemia, born of desperation--an effort to entice her to want to hang on, just to hear one more story, and a plea for her to continue to live.

A Harbinger's Tale S. E. Rise 2016-01-08 I am just a normal guy with a bad job. When God came to me and offered the job, I couldn't imagine what it would entail. My dead friends are ghosts who harass me, my best friend is the Supreme Entity and I get killed more times than I should. The job sucks but the reward is well worth it. I am the Harbinger of Doom, The Bringer of the Apocalypse and I will do what I have to do to get the job done. Come watch me save the world and destroy all of mankind. Sorry, but yes, it's going to suck to be you.

Myers, Peretti, Hunt, and Gansky Offer Latest Harbingers Volume Cycle Three of the Harbingers series offers more suspense, more chills, and a deeper look into the battle for light in a growing darkness. In Myers's "Leviathan," the team heads to Hollywood for a taping of the new TV pilot, Live or Die, the Ultimate Reality. Little do they realize the depths of darkness they are about to enter--a darkness that, unless they stop it, will soon spread across the globe. Frank Peretti's "The Mind Pirates" offers a rousing story featuring bizarre visions and memories of a murder, a kidnapping by 17th-century pirates,

and an earring with mysterious powers. The team must overcome the ruthless scheming of an evil, hidden nemesis. In "Hybrids" from Angela Hunt, the sight of two children chills the team to their bones. Seeking rest and relaxation, the four friends must instead find answers to the arrival and mission of two mysterious black-eyed children. In "The Village" from Alton Gansky, a visit to a guarded and secretive small town in North Carolina becomes the most challenging mystery they've ever faced--as they race to solve a problem they barely understand before time runs out.

[Harbingers Lasniniar Collection](#) Jacquelyn Smith
2020-06-17 Demons. False gods. A magical legacy. The winds of change blow across Lasniniar, throwing everything into chaos. ...And the Free Races need more than Iarion and Barlo to stand against the darkness. A new chapter unfolds in this collection from the World of Lasniniar epic fantasy series by award-winning author, Jacquelyn Smith. This collection includes one novel and two shorts: Harbingers: A Novel of Lasniniar (The World of Lasniniar Book 8) Legends of Lasniniar: Prevailing Wind Legends of Lasniniar: The Devil You Know Harbingers: A Novel of Lasniniar (The World of Lasniniar Book 8) An unspeakable act. Iarion flees with Barlo in a useless effort to outrun the heinous crime his dwarf friend committed under desperate circumstances. Meanwhile, the rest of Lasniniar marches to war. Would-be gods drive the humans against the elder races, granting the most devout of their worshipers magic of their own. Into this chaotic darkness, a new power emerges. ...A power only Iarion can face. The future of the World of Lasniniar hangs in the balance in this eighth novel in the epic fantasy series. Legends of Lasniniar: Prevailing Wind (Short Story) Arinwyn leads the Tribe of Hawk across the vast dunes of the Shifting Sands. A lone elf among humans. The sun beats down on

her head scarf like a hammer while the jingle of harnesses fills the dry air. A single shadow falls across the land from overhead in a ripple of movement. A dragon. Arinwyn knows the tribe cannot stand against it. But none of the tribe's warriors want to lose status by fleeing. Arinwyn must rely on her human companion Nasir to convince them otherwise while she tackles a much bigger problem—how to hold off the dragon. ...And what its seemingly chance presence might mean. A short story adventure from the World of Lasniniar epic fantasy series and a follow-up to "Legends of Lasniniar: Without Wings." Legends of Lasniniar: The Devil You Know (Short Story) Merchants peddle fear in Belierumar. Mothers cling to their children as they walk through the crowded marketplace. Eyes dart as people hurry to make their dubious purchases. Demon-warding amulets. Herbs guaranteed to help victims of possession. Paige inspects them all with a jaundiced eye. The young dwarf woman knows how to deal with demons. Probably better than anyone else in Lasniniar. ...With good reason. In the aftermath of war, a new era begins in this stand-alone story from the World of Lasniniar epic fantasy series.
