Adobe Flash CS4 Professional Classroom in a Book Adobe Creative Team 2010-04-16 The fastest, easiest, most comprehensive way to learn Adobe Flash CS4 Professional. Adobe Flash CS4 Professional Classroom in a Book contains 10 lessons. The book covers the basics of learning Adobe Flash CS4 Professional and provides countless tips and techniques to help you become more productive with the program. You can follow the book from start to finish or choose only those lessons that interest you. Learn how to design Flash projects with sophisticated animation, import video and sound files, and integrate buttons with compelling interactivity using ActionScript 3.0. Powerful features such as the new Motion Editor, inverse kinematics, and support for 3D will make developing your Flash sites fast, easy, and fun. "The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students." —Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training Classroom in a Book®, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: · If you are able to search the book, search for "Where are the lesson files?" · Go to the very last page of the book and scroll backwards. · You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get

to the files. · Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

Flash CS4 Professional Digital Classroom Fred Gerantabee 2011-02-17 Flash CS4 Professional Digital Classroom is like having a personal instructor guiding readers through each lesson, while they work at their own pace. This book includes 13 self-paced lessons that let readers discover essential skills and explore new features and capabilities of Adobe Flash Professional. Every lesson is presented in full color with step-by-step instructions. Learning is reinforced with video tutorials and lesson files on a companion DVD that were developed by the same team of Adobe Certified Instructors and Flash experts who have created many of the

official training titles for Adobe Systems. Each video tutorial is approximately five minutes long and demonstrates and explains the concepts and features covered in the lesson. This training package shows the basics of using the program, such as using layers and instances to build animation sequences, as well as advance features, such as using ActionScript to create interactive Web page components. Jam-packed with information, this book and DVD takes users from the basics through intermediate level topics and helps readers find the information they need in a clear, approachable manner.

Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.
