the EasyWay to learn all your chords in one

beautiful easy exercise along with exclusive
Clarinet solos and very rare extreme altissimo
register fingerings. Part I takes away all fear
from learning about music and how to play the
Clarinet. As a master teacher Prof Procopio has
shown a great many people how to be an
accomplished and successful clarinet player. Joe
Procopio has been the lead reed (Alto Sax,
Clarinet and Flute) for many of the nations top
recording artists and he has put that knowledge
and experience into his books for others. PART II
is for those who already have some clarinet
ability (intermediate or better) and would like to
master the instrument. To be a virtuoso on any
musical instrument, you must know all your
scales, keys and chords and many method books
published today are excellent sources for
mastering scales, keys and chords; but this

book's section will have you playing like a pro in the shortest possible time. In it is the Procopio method for learning all your chords in one beautiful, simple and easy exercise called The 48 Chord System. In addition, Prof Procopio has included some of his exclusive solos for clarinet that will inspire you to an advanced level quickly and assuredly. To be sure, the music and solos in The EasyWay To Play Clarinet inspire everyone to not only overcome failure but also guarantee success.

preparation time and increase your students' competency. After listening to requests of the first edition's users, the author has packed two more popular field sports and a unique chapter on educational gymnastics into this new edition of Complete Physical Education Plans for Grades 5 to 12. Lessons can cover beginner, intermediate, and advanced levels and break down each skill as it is introduced. The chapters also integrate the applicable rules and strategies during the learning process and use methods that will keep students active, learning, successful, and completely motivated. In addition to the clear instruction for teaching skills, rules, and strategies, each lesson generates opportunities for students to develop physical, cognitive, and social skills. Each unit is designed to help students gain competency appropriate for their experience level. Formerly published as Complete Physical Education Plans for Grades 7 to 12, the book features exciting new material: Detailed introductions of skills

and how to practice the mechanics of each skill or dance; Three new chapters (field hockey, lacrosse, and educational gymnastics, the latter of which includes three units that can be used in teaching both gymnastics and creative dance). Complete Physical Education Plans for Grades 5 to 12 provides field-tested lesson plans for 484 classes covering 18 areas of fitness, creative movement and dance, and sports. These professionally prepared plans will not only cut your own prep time but also help you focus on the essentials in each step of your students' learning process. It is a great resource when you need material for a substitute teacher or when you are asked to submit plans to your school administrator. In addition to the lesson plans, the book and CD-ROM package contains a wealth of teaching and assessment tools, including skills rubrics, portfolio checklists, unit fact sheets, and quizzes. The accompanying CD-ROM enables you to print study sheets, student extension projects, portfolio checklists, unit
