In this edition the author has endeavored to revise the work, with a special reference to American practitioners. The

number of changes is not great, and they relate chiefly to matters which are still subjudice. As a whole, this edition is an improvement on the last. -- Boston Med Surg J 1880; 102:63 January 15, 1880. *The United States Catalog* 1906

Preparation's ACS General

Chemistry Study Guide - ACS

Exam Prep Secrets is the ideal prep solution for anyone who wants to pass their ACS

General Chemistry Exam. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: \* Practice test questions with detailed answer explanations \* Step-by-step video tutorials to help you master difficult concepts \* Tips and strategies to help you get your best test performance \* A complete review of all general chemistry test sections

Mometrix Test Preparation is not affiliated with or endorsed by any official testing

organization. All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on

your general chemistry exam: the concepts, procedures, principles, and vocabulary that the American Chemical Society (ACS) Examinations Institute expects you to have mastered before sitting for your exam.

Test sections include: \* Atoms \* Properties of Matter \* Bonding

and Intermolecular Interactions \* Reactions \* Kinetics and Equilibrium \* Acids and Bases \* Thermodynamics \* Electrochemistry \* Nuclear Chemistry \* Safety, Math, and Data in the Laboratory ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix general chemistry study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of general chemistry practice test questions to prepare you

for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our ACS General Chemistry Study Guide - ACS Exam Prep Secrets is no exception. It's an excellent investment in your future. Get the general chemistry review you need to be successful on your exam.
