**Passing the Mathematics Test for Elementary Teachers** Margie Pearse 2015-04-08 Have you ever found yourself saying, "I'm never going to pass the math pre-service exam!" This statement, and many others like it, led the authors to discover exactly how to crack the math pre-service exam test code and students are reaping all the benefits. How to Pass the Pre-Service Mathematics Test for Teachers is the result of years of researching and experimenting with what it takes to not only pass the test, but come away from it a better test-taker and a stronger mathematician. The authors offer tons of crystal-clear examples with detailed explanations, all supported by deep mathematical thinking. As an added bonus, there are three comprehensive practice tests carefully created to reflect the format of the test. This book will provide all that is needed to pass the math pre-service exam!
