IPHONE 16 PRO GUIDE FOR SENIORS

Marcus Techwell □ Still feeling like your iPhone is smarter than you are? □ It doesn't have to be that way. With the iPhone 16 Pro, you can stay connected, capture memories, and simplify your daily life—all without frustration. This guide was written just for seniors who want step-by-step clarity, not complicated tech talk. Instead of squinting at tiny text or getting lost in menus, you'll discover how to make your iPhone work for you. From calling family with a single tap to snapping photos that look professional, this book

turns confusion into confidence. □ Inside, you'll learn how to: Set up and personalize your iPhone 16 Pro so it feels like it was built just for you. Stay close to family and friends through calls, texts, FaceTime, and even social apps—explained in plain English. Capture and share stunning photos with camera tricks that anyone can master. Protect your privacy and stay safe online with simple, senior-friendly security steps. Use health and safety features like medication reminders, fall detection, and emergency SOS. Enjoy fun and entertainment from music, audiobooks, games, and streaming shows. And many more □ What makes this guide different? Unlike most tech manuals that assume you're already an expert, this book was tested with real seniors before it ever reached your hands. Every page is written in large, easy-to-read text with clear screenshots, real-life success stories, and "Quick Wins" that give you instant results.
