The Real Insider's Guide to Military Basic Training Peter Thompson 2003 This book is the one many people in the military do not want recruits to read. The guide contains extremely helpful hints and advice to help new enlistees during the rigors of military training. Most important, the information is free from biased interests because it is "written by a recruit for a recruit." Although tailored toward the Army and Marines, any person enlisting in the Armed Forces will find the information exceedingly valuable. Even if a person is just thinking about the military, this book will help.

Guide to Joining the Military Peterson's 2013-11-12 Guide to Joining the Military includes topics like: women in the military, details on opportunities available within all branches of the military, what to expect from a military career, information on joining the national guard and reserve, coverage of the ASVAB examination, details on the physical exam and background investigation, basic training facts (daily schedules, training regimens, physical conditioning and more).
