**Backpacker** 1978-04  
Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

beginning primary school teachers must learn how to support children to overcome or reduce barriers to learning. They need to build confidence in their use of teaching approaches that support Good Teaching for SEND, Good Teaching for All. This practical textbook presents evidenced-based Adaptive Teaching strategies, foundation knowledge and classroom approaches to support the learning of all children. Each chapter links to a Teachers' Standard and includes adaptable exemplar teaching activities, based on what we know works in classrooms. This is a core text for primary teacher training, supporting new teachers to ensure their classrooms are truly inclusive for all children, including those with SEND.

The world's bestselling introductory Latin course.

Developed by the University of Cambridge School Classics Project, this bestselling Latin program provides an enjoyable and carefully paced introduction to the Latin language, complemented by background information on Roman culture and civilization. Starting in Roman Britain and moving on to imperial Rome itself, Unit 3 focuses on the murderous schemes and machinations of Gaius Salvius Liberalis, as he plots his ruthless and apparently unstoppable rise to power.
