**House of Hate** Percy Janes 1992 The destructive family can turn upon itself is the theme of this powerful work, which has in the words of Margaret Laurence, become a classic of its kind. Set in the stark, confining atmosphere of a Newfoundland milltown, this semi-autobiographical novel tells the story of the Stone family-caught in relentless poverty and tyrannized by Saul Stone, an illiterate man whose primitive fury warps and twists his wife and children. A brilliant portrayal of existence bereft of tenderness, *House of Hate* is a Tale of human ordeal and of an anguished striving for love in the midst of bitterness. It is, as Farley Mowet has observed, a book unique in Canadian Literature. Percy Janes is a Canadian author who was raised in Newfoundland and returned there to live after extended travels in Europe.
