The Girls Next Door Kara Dixon Vuic 2019-02-01 The story of the intrepid young women who volunteered to help and entertain American servicemen fighting overseas, from World War I through the wars in Afghanistan and Iraq. The emotional toll of war can be as debilitating to soldiers as hunger, disease, and injury. Beginning in World War I, in an effort to boost soldiers' morale and remind them of the stakes of victory, the American military formalized a recreation program that sent respectable young women and famous entertainers overseas. Kara Dixon Vuic builds her narrative around the young women from across the United States, many of whom had never traveled far from home, who volunteered to serve in one of the nation's most brutal work environments. From the "Lassies" in France and mini-skirted coeds in Vietnam to Marlene Dietrich and Marilyn Monroe, Vuic provides a fascinating glimpse into wartime gender roles and the tensions that continue to complicate American women's involvement in the military arena. The recreation-program volunteers heightened the passions of troops but also domesticated everyday life on the bases. Their presence mobilized support for the war back home, while exporting American culture abroad. Carefully recruited and selected as symbols of conventional femininity, these adventurous young women saw in the theater of war a bridge between public service and private ambition. This story of the women who talked and listened, danced and sang, adds an intimate chapter to the history of war and its ties to life in peacetime.

*A Leadership Guide for Combination Fire Departments* Fred C. Windisch 2008 A must have for every combination fire department leader! To successfully lead this type of organization, fire chiefs must recognize the unique difficulties inherent in combination systems, and overcome them by applying lessons learned from other chiefs who have faced similar challenges. Authored by a team of seasoned fire service leaders, and modeled after the Chief Fire Officer's Desk Reference, *A Leadership Guide for Combination Fire Departments* is a compilation of the best practices and lessons learned through experience. It is designed to provide chief- and officer-level personnel with the tools necessary to lead today's combination service department.
