College English & Communication Sue C.

Camp 1998 College English and Communication

combines business English and business

communication into a comprehensive text which

applies language arts skills to business

communication. This new edition features

examples and exercises from contemporary

business office settings and includes situations

in which students explore the use of technology

in the office environment. Also new to this

edition is a text called College Communication

which contains all the chapters of College

English and Communication, minus the chapters

on grammar, mechanics, and reading.

Business Communication Essentials

Courtland L. Bovée 2007 For courses in Business

Communication and Skills Development and

offering current material on technology,

etiquette, and listening skills as well as a

discussion of employment-related topics, this is a

handbook of grammar, mechanics and usage.
