C.F.A. Study Guide Institute of Chartered Financial Analysts 1992

Study Guide John J. Clark 2005-07 This Study Guide to accompany *Foundations of Finance: The Logic and Practice of Finance Management, 5th Edition*, was written by the authors with the objective of providing a student-oriented supplement to the text. Each chapter of the Study Guide contains: *an orientation of each chapter along with a chapter outline of key topics *problems (with detailed solutions) and self tests which can be used to aid in the preparation of outside assignments and in studying for exams *a tutorial on capital budgeting *a set of tables that not only give compound sum and present value interest factors, but also show how to compute the interest using a financial calculator

Study Guide to Accompany Foundations of Multinational Financial Management, 5th Edition Alan C. Shapiro 2004-08-27 Work more effectively and gauge your progress along the way! This Study Guide is designed to accompany Shapiro's *Foundations of Multinational Financial Management, 5th Edition*. It contains detailed chapter outlines and a number of solved questions and problems. Now updated and reorganized, Alan Shapiro's *Foundations of Multinational Financial Management, 5th Edition*, emphasizes broad concepts and practices, and provides a clear conceptual framework for analyzing key financial decisions in multinational firms. The text treats international financial management as a natural and logical extension of the principles learned in the foundations course in financial management. Thus, it builds on and extends the valuation framework provided by domestic corporate finance to account for dimensions unique to international finance.
