A History of Western Society Volume C John P. McKay 1995 Focusing on the lives of ordinary people, this volume covers the main developments and themes of Western civilization from the revolutionary era to the present. Social and economic history are areas of special emphasis, and the text also pays attention to traditional political and cultural developments, with a view to providing a well-rounded view of Western history.

World History: Connections to Today Elisabeth Gaynor Ellis 2003-12

Values and Political Change in Postcommunist Europe W. Miller 1998-01-19 This is a book about political values - socialist, nationalist, liberal and democratic values - in five former communist countries: Russia, Ukraine, Hungary, Slovakia and the Czech Republic. Based on eleven surveys involving extended interviews with 7350 members of the public and 504 Members of Parliament it provides an

authoritative account of the extent to which politicians and the public in East Central Europe and the Former Soviet Union have rejected communist ideals and adopted nationalist and/or liberal democratic values.
