Handbook of Procedures for the Design of Instruction Leslie J. Briggs 1981 Abstract: A handbook for instructors, students, and practicing instruction designers provides procedures and information concerning the design of print or non-print instructional materials, including information tests, performance objectives, how-to-do-it applications, examples, exercises, and answer keys. Topics include instruction design basics; determining needs, objectives, priorities, resources, and constraints for selecting an instruction-based delivery system; guidelines for defining and writing objectives; procedures for organizing the course, the study unit, and the lesson; a discussion of factors influencing media selection; the design of lessons and materials; student learning assessment; a formative evaluation strategy; and the evaluation of the instructor's training. Information tests and exercises accompany most of the 12 chapters. Numerous illustrations and examples are given throughout the text. (wz).

A People and a Nation: To 1877 Mary Beth Norton 1930 This spirited narrative challenges students to think about the meaning of American history. Thoughtful inclusion of the lives of everyday people, cultural diversity, work, and popular culture preserves the text's basic approach to American history as a story of all the American people. The Seventh Edition maintains the emphasis on the unique social history of the United States and engages students through cutting-edge research and scholarship. New content includes expanded coverage of modern history (post-1945) with discussion of foreign relations, gender analysis, and race and racial relations. Chapter-based "Links to the World" connect US history to global events and provide web links for further research while end-of-chapter "Legacies for a People and a Nation" focus on meaningful events or movements relevant to present-day issues or controversies.
