

Clubbers Guide Disk Two

The Rough Guide to Paris Ruth Blackmore
2012-05-04 Full-colour throughout, The Rough Guide to Paris is the ultimate travel guide to one of Europe's most elegant cities. With 30 years experience and our trademark 'tell it like it is' writing style Rough Guides cover all the basics with practical, on-the-ground details, as well as unmissable alternatives to the usual must-see sights. At the top of your to-pack list, and guaranteed to get you value for money, each guide also reviews the best accommodation and restaurants in all price brackets we know there are times for saving, and times for splashing out. In The Rough Guide to Paris: - Over 50 colour-coded maps featuring every listing - Area-by-area chapter highlights - New guidance for gastro-tourists - Top 5 boxes - Things not to miss

section Make the most of your trip with The Rough Guide to Paris. Now available in ePub format.

Ecstasy and the Rise of the Chemical Generation
Jason Ditton 2013-03-07 This book about ecstasy users' lives is based on one of the biggest government-funded projects ever undertaken and gives voice to the chemical generation for the first time. In the UK, where the study was conducted, over fifty per cent of young people use drugs, a quarter of them regularly. The people in this book are ordinary, decent, family-loving people, with normal lives, normal problems and normal aspirations. Through their own words we hear how they first started using ecstasy, how they use it in different ways, why clubbing and raving are so important, how good sex is on ecstasy, how they chill out, how they

come down, what problems they encountered and why they quit. This path-breaking book ends by trying to answer the questions on the lips of every member of the chemical generation: what are the long-term effects of ecstasy? Because we can't answer them, the authors claim, we are failing in our duty to our children: telling them not to take ecstasy is alienating and pointless.
