*World Class Grant Wahl 2025-06-03* “This collection of Grant’s work is a great testament to not only what he did when he was here, but what he’s still doing to impact others.”—LeBron James  
The definitive collection of beloved late journalist Grant Wahl’s work—a masterclass in the art of sportswriting After Grant Wahl died of an aortic aneurysm at the 2022 FIFA World Cup in Qatar, collapsing in his press seat during a quarterfinal match, tributes to Wahl poured in from around the globe. Wahl was beloved for

good reason—he was kind, generous, and unflinching in the face of injustice. He was also one of the best sports journalists of his generation. Spanning four decades of storytelling, *World Class* collects for the first time the finest writing of Grant Wahl, from op-eds for his college newspaper to twenty-five years of reporting at *Sports Illustrated* to his deeply personal work for *Fútbol with Grant Wahl* on Substack. Wahl was the multi-tool modern sportswriter: clear and direct; able to write long, short, or in between; cosmopolitan; socially aware. Arranged thematically, *World Class* demonstrates how Wahl’s career aligned with the evolution of sportswriting. Included are explorations of soccer subcultures from Buenos Aires and F.C. Barcelona to the dusty sandlots of Nacogdoches, Texas, as well as accounts of

trophy lifts that have a first-draft-of-history definitiveness. Some pieces capture prodigies early in their careers, like LeBron James and Landon Donovan; others lift the voices of the women athletes to whom Wahl paid early attention—stars like Abby Wambach and Megan Rapinoe. The book showcases the daring and important positions Wahl took in Qatar in the weeks before he died, supporting migrant workers and LGBTQ+ people. More than a collection of Grant Wahl's best work, *World Class* is a portrait of a journalist at the height of his powers, always evolving with the times, revealed by the stories he found and the unflinching way he told them.

*Motion Offense* Bob Huggins 2000-11 Provides an overview of the motion offense used at the University of Cincinnati. Covers the basic movements of the five player open post motion offense, offense before cuts begin, cut-to-the-ball options, cut-to-the-ball options, cut-away-from-the-ball options, offense from the

wings, involvement of corners in the motion offense, weakside play, drilling (individual, two-on-two, three-on-three and weakside) and much more. Contains 90 easy-to-read diagrams.

**Johnstown Basketball** Bradley A. Huebner 2024-11-12 Amid a series of three destructive floods that pounded little Johnstown, Pennsylvania, in less than a century, Cambria County residents somehow maintained their lofty expectations and big-picture foresight to begin what would become the oldest Christmas high school basketball tournament in the nation, as they would boast. Learn the amazing history behind an historic hardwood tournament.

plays or continuities versus rules based free-lance offense, has been raging. Motion offense has been used by some of the most innovative and successful coaches in the game, Don Meyer (923+ career wins), Bobby Knight (902 wins), Dean Smith (879 wins) and Mike Krzyzewski - (910 wins - still active) and Coach Dick Bennett, the innovator responsible for the Blocker-Mover version of motion offense. Motion offense's advocates love the offense because: -- once players have learned it, they can attack any defense. -- players love the freedom motion offense gives them to play the game. -- it is difficult to scout. -- there is a high degree of carryover from one season to the next. -- it can be used at any level of play. -- it can be adapted to any personnel, allowing continuity from one season to the next. If motion offense has led to so much success, why don't more coaches adopt the offense? Some reasons include: -- fear of loss of control over the offense. -- confusion over how to teach motion offense. -- concern over how to

make adjustments during a game. -- the belief the nature of the offense is too confusing for players (and coaches). -- confusion due to the rules based approach to offense versus the predetermined approach with set plays, quick hitters and continuity offenses. Using Blocker-Mover Motion Offense will allow you to run motion offense and "fix" the problems common to the offense including: -- eliminate standing by increasing cutting and screening. -- generate more good shots by controlling where, how and who takes the shots. -- eliminate bad spacing with Blocker-Mover alignments. -- eliminate player confusion about who should set screens and who should be a cutter. Coaching Basketball's Blocker-Mover Motion Offense: Winning With Teamwork and Fundamentals addresses all of these issues. There are lots of books on motion offense but many do not address the concerns that coaches interested in adopting motion offense have. The Blocker-Mover system provides structure without

eliminating the advantages of rules based offense, providing a coach with the means to maintain a degree of control over the offense, a method for easily making adjustments during a game just to name a few of the benefits of Blocker-Mover motion offense. Within Coaching Basketball's Blocker-Mover Motion Offense's 262 pages, including 250+ illustrations and 50+ photographs, 16 chapters address the following:

- Rules for Blocker-Mover motion offense complete with explanations.
- Descriptions of the concepts of the Blocker and Mover concepts
- The strengths and weaknesses of each alignment
- Guidelines for which alignment best fits certain player personnel.
- Approaches to teaching motion offense with insights into teaching Blocker-Mover specifically.
- Drills to teach the essentials of movement, cutting, screening and more that are essential to successfully running any offense.
- Drills specifically designed to teach motion offense.
- Ideas on how to make adjustments to the offense

during games. The author, Coach Kevin Sivils, learned the Blocker-Mover offense from both Coach Dick Bennett and Coach Don Meyer and used the offense with success for years as a varsity basketball coach, winning 479 career wins along with 8 Coach of the Year awards. invention that took over America, and the world. Of a supposed “white man’s sport” that became a way for people of color, women, and immigrants to claim a new place in society. Of a game that demands everything of those who love it, yet gives so much back in return. To tell this story, acclaimed journalists Jackie MacMullan, Rafe Bartholomew and Dan Klores embarked on a groundbreaking mission to interview a staggering lineup of basketball trailblazers. For the first time hundreds of legends, from Kobe, Lebron and Steph Curry to Magic Johnson, Dr. J and Jerry West, spoke movingly about their greatest passion. Former NBA commissioner David Stern and iconic coaches like Phil Jackson and Coach K opened up like never before. Those who shattered glass ceilings, from Bill Russell and Yao Ming to Cheryl Miller and Lisa Leslie, explained what it really took to lay claim to their place in the game. At once a definitive oral history and something far more revelatory and life affirming, *Basketball: A Love Story* is the

defining untold oral history of how basketball came to be, and what it means to those who love it.

Teach the fundamentals that your players will need to not only run a motion offense, but to also understand why a motion offense is used. *Motion Offenses for Youth Basketball* is a valuable "Interactive" instructional tool for youth basketball coaches.
