**Drink Like a Man** Ross McCammon 2016-06-07 Drink Like a Man distills 83 years of drinking wisdom into this indispensable manual. With more than 125 cocktail recipes and 100 photos, including 13 drinks every man should know how to make, variations on classic cocktails, and drinks batched large enough to satisfy a crowd, it's an essential guide to cocktail making, but also a manual for how to drink. As a host, at a bar, with a friend, on your own—whatever the situation may be—Esquire offers wisdom, encouragement, and instructions. And also a damn good drink.

**The Imbible** Micah LeMon 2017-10-10 Micah LeMon had one slight problem when he started bartending nearly twenty years ago: he had no idea what he was doing. Mixology, he came to understand, is based on principles that are indispensable but not widely known. In *The Imbible*, LeMon shares the knowledge he has gained over two decades, so that even beginning bartenders can execute classic cocktails—and riff on those classics to create originals of their own. A good cocktail is never a random concoction. LeMon introduces readers to the principal components of every drink—spirit, sweet, and sour or bitter—and explains the role each plays in bringing balance to a beverage. Choosing two archetypes—the shaken Daiquiri and the stirred Manhattan—he shows how bartenders craft delicious variations by beginning with a good foundation and creatively substituting like ingredients. Lavishly illustrated in color and laid out in an inviting and practical way, *The Imbible* also provides a thorough overview of the bartender's essential tools and techniques and includes recipes for over forty drinks—from well executed classics to original creations exclusive to this book. Both a lesson for beginners and a master class for more experienced bartenders, LeMon's book opens the door to endless variations without losing sight of the true goal—to make a delicious cocktail.

**A Bartender's Guide to the World** Lauren Mote 2022-10-25 Transport your glass around the globe with more than 75 cocktail recipes from one of the world's premier bartenders. Grab your glass and let's go! For over 20 years, Lauren Mote has tended bars and traveled the world, often as one of the only women in a male-dominated industry. She's developed cocktail recipes, sought out new ingredients, and gathered stories along the way. Now, in her first book, Lauren is inviting readers and home bartenders to pack their suitcases and come with her on an international cocktail adventure. Few bartenders can match Lauren's encyclopedic knowledge of spirits, liqueurs, and tinctures, not to mention her originality for blending them into a perfectly-balanced drink. Once you've gotten a handle on the basics of bartending, and gathered your cocktail shaker along with a few other pieces of equipment, you'll be raising your glass in no time. The recipes are organized by their star ingredients, such as agave, gin, whiskey, rum, vodka, and more. Every drink is given its own designation of standard, mid, low, or zero proof, and you'll find

a whole chapter on nonalcoholic cocktails, because Lauren feels strongly that all drinks should be prepared with care, whether they include alcohol or not. Once you've narrowed down the base that you're in the mood for, let Lauren's magnetic storytelling and gift of the gab continue to guide you. In each chapter, you'll find a collection of Mise en Place Recipes to help you build up your bar's basic ingredients and make Lauren's techniques your own. With beautiful storytelling and photography, and cocktail recipes you won't find elsewhere, *A Bartender's Guide to the World* is as much a pleasure to read as it is to imbibe from.
