2014-11-05 Kate Smith Speaks was the most listened-to program in daytime radio during the 1940s. The mixture of folksy vignettes, news items, and heartfelt editorials presented a slice of life on the home front. Kate Smith was one of the three most popular female personalities of the times, both as a vocalist and as a commentator. She liked the informality of the "Speaks" broadcasts because it brought her closer to her listeners. Travel back to the era before, during, and after World War II through fifty actual scripts.

God Is With Us - [Large Print] Robin Wilson

2019-09-03 *God Is With Us*, originally published in 2016, invites you to explore your longing for God's presence through a study of the lectionary Bible readings for Advent and Christmas. The hope of Advent is the fulfillment of that longing; we await the coming of Jesus as Immanuel, God With Us. Each week's Scriptures call us to praise God as we actively await the coming of Christ and prepare our hearts and lives for his arrival. Through the readings, we hear the invitation to claim and celebrate the new hope we have in Jesus Christ. The season of Advent offers opportunities to prepare for God's coming in human form in the infant Jesus and for the fulfillment of God's kingdom with the second coming of Christ. Hope is the focus of Advent worship, study, and prayer. We will discover the light that began in the manger, which continues as we look forward with hope to Christ's return. *God Is With Us* is based on the Revised Common Lectionary Scriptures for church year A, the first of a three-year cycle of Bible readings. The study includes commentary and reflection on readings from the Old Testament, the Gospels, and the Epistles. It offers the opportunity to explore these Bible readings in a five-session study. It

will help participants understand, appreciate, and engage in meaningful and joyous celebrations of Advent and Christmas and to live each day in God's hope through Jesus Christ.

Pritchard 2000-01-01 Here are three different Christmas pageants complete with music, staging directions, scenery and costume suggestions, plus pointers about how to organize your event. The pageants are for grades K-8, but one also calls for adults and teens. The first pageant is a traditional Nativity play with carols; the second is an adaptation in verse in the style of medieval mystery plays; and the third is a dramatized service of lessons and carols with Eucharist. Some churches adopt one pageant as an annual production; others try a different one each year. Pageant 1: "Good News of Great Joy" - This is the simplest pageant in concept and uses the Isaiah text of the prophecies with scenes of the Annunciation, the arrival at Bethlehem, the shepherds, and the Magi. It is intended to replace the sermon or Liturgy of the Word, or stand alone. Pageant 2 "A Child of Might" - This production is based on medieval "mystery plays" with static staging that is easier than in pageant 1. However it does use archaic English and requires memorization. It does not include the Magi, but introduces several characters not usually found in other pageants. Pageant 3 "People, Look East" - This version presents a dramatized service of Lessons and Carols for Advent and Christmas. It features nine scripture readings, each followed by a carol or hymn (with performance options). Children mime the readings. It is intended to be an entire Sunday liturgy (includes communion). *Go Tell It On the Mountain* is also available as a downloadable product on the Church Publishing

website.

[Christmas in Germany](#) Joe Perry 2010-09-27 For poets, priests, and politicians--and especially ordinary Germans--in the nineteenth and twentieth centuries, the image of the loving nuclear family gathered around the Christmas tree symbolized the unity of the nation at large. German Christmas was supposedly organic, a product of the winter solstice rituals of pagan "Teutonic" tribes, the celebration of the birth of Jesus, and the age-old customs that defined German character. Yet, as Joe Perry argues, Germans also used these annual celebrations to contest the deepest values that held the German community together: faith, family, and love, certainly, but also civic responsibility, material prosperity, and national belonging. This richly illustrated volume explores the invention, evolution, and politicization of Germany's favorite national holiday. According to Perry, Christmas played a crucial role in public politics, as revealed in the militarization of "War

Christmas" during World War I and World War II, the Nazification of Christmas by the Third Reich, and the political manipulation of Christmas during the Cold War. Perry offers a close analysis of the impact of consumer culture on popular celebration and the conflicts created as religious, commercial, and political authorities sought to control the holiday's meaning. By unpacking the intimate links between domestic celebration, popular piety, consumer desires, and political ideology, Perry concludes that family festivity was central in the making and remaking of public national identities.
