Occupational Education: Insights & Perspectives JOHN L. BISOL 2016-02-27 A collection of discussion papers and essays concerning Occupational Education. The intent is to provide insight into the methodology, organization and documentation of Occupational Education, its history, philosophy and "Best

Practices". Every essay (or thesis) presented herein may not fit every situation, however, the context presents a uniform approach in that "behind" every Occupation/Trade there is: - A history - A need to document methods - A need to have program structure - A need to understand social implications
