**Digi Snaps** Peter Hall 2012 Digi Snaps is the registered trading name of a digital camera merchandising business. Jim Bolton is the proprietor and sole owner. The student is asked to prepare the financial statements for Digi Snaps using seven main journals - Sales, Sales Returns, Purchases, Purchase Returns, Cash Receipts, Cash Payments and General Journal. The practice set is based on periodic inventory methods. The major advantage of teaching and learning with a manual practice set is that students will gain a genuine understanding of the underlying processes involved in preparing a set of financial statements. In a computerised setting, these processes occur in the background and typically are unseen by the user of the software.
