Second Thoughts about Hell Ronald J. Allen 2025-09-16 As Christians, what should we believe about hell? Instead of offering a prescriptive, one-size-fits-all answer, Ronald Allen and Robert Cornwall guide the reader through the historical interpretation of hell. They begin with the voices of the Hebrew Bible, extrabiblical, and New Testament texts and the voices of the early, medieval, Reformation, and modern church, pointing out the three main Christian views today—literalism (hell exists, and those there will suffer for eternity), annihilationism (the punishment of hell is limited and leads to the extinction of the sufferer), and universalism (everyone is saved, so hell does not exist). They include multiple contemporary theological positions on hell, such as those of liberation theologians and process theologians. Through describing and explaining these different points of view, Allen and Cornwall allow the reader to decide what view(s) of hell make the most theological and ethical sense to them, and they conclude by offering their personal thoughts on hell. The book includes a study guide, making it an excellent resource for group study. An online resource designed for pastors who want to design topical and lectionary-based sermon series on hell is available for download.

[A Traveler's Guide to the Afterlife](#) Timothy Gordon 2019-08-16 This nine-lesson group or self-study series on A Traveler's Guide to the Afterlife is part of an overall collection of 61 lessons that cover many of the fundamental Christian teachings and beliefs in a topical or thematic sense. It assumes no prior knowledge of the Bible or any specific religious background. It does assume that the participant has an interest in learning these important Biblical, historical, and doctrinal truths in order to grow in their faith. I call it a Bible literacy study guide because it provides a baseline literacy on these topics. It was designed to be a well-rounded study covering Christian doctrine, history, apologetics and practical life. Some of the topics are sequential in nature and will cover a period of several studies (i.e. church history studies). This is an ongoing project that is updated when necessary. These study guides are suitable for small groups, Sunday-school classes, or personal enrichment. There is a need for these fundamental biblical and historical teachings in the church today. They complement the study of the Bible text by providing an overall view of the subject. New believers need to understand and learn many of these basic teachings before they can properly understand exegetical/ expository studies. Many seasoned believers in the body may also lack the teaching in these areas and would benefit from them. Timothy Gordon (DMin, Southern Evangelical Seminary) is an adjunct instructor for the Biblical Studies Center in Boise, Idaho.

What Happens After You Die Randy Frazee 2017-05-02 Get real, biblical answers to all your questions about life after death. In both Christian and pop culture, there is a fascination with the afterlife but also so much confusion, with people asking questions like: What happens after you die? What happens if you die with Christ or without Christ? What happens when Jesus returns if you have or haven't accepted Christ? What exactly comes next? In *What Happens After You Die* Randy Frazee, the popular pastor of Oak Hills and general editor of the wildly successful *Believe* and *The Story* programs, answers your perennial questions about the afterlife with an accessible exploration of what the Bible really has to say on the subject. Born out of a deeply personal search for truth after the death of his mother, *What Happens After You Die* is a straightforward exploration of what the Bible says about life after death. From heaven and hell to the Lake of Fire and the actual presence of God, Frazee uncovers what is simply cultural tradition and what is truly biblical. He shows readers not only the death Jesus came to save us from but the life he came to save us for. Based on a teaching series that has had more online views than any other series Frazee has done to date, *What Happens After You Die* is a guide to the perennial questions about life and death, what comes next, and how we should live until then. This book is the trustworthy and hopeful guide you have been looking for to help you navigate through the difficult questions about life after death.

The Everything Guide to Evidence of the Afterlife Joseph M Higgins 2011-01-18 Find out the truth

about the other side... Is there life after death? Or is the end of our physical existence really the end of us? In this thought-provoking guide, you will examine scientific evidence so you can decide for yourself whether or not there is an afterlife. Medium Joseph M. Higgins and "Psychic Cop" Chuck Bergman attempt to answer questions like: Does consciousness survive death? Is communication possible between the living and the dead? Are mediums real--or frauds? What happens to us during near-death experiences? Where do we go when we die? Are we heaven and hell actualities? What is life like after death? Is reincarnation real--and is everyone reincarnated? Including an overview of various religious afterlife traditions, *The Everything Guide to Evidence of the Afterlife* introduces you to the unlimited possibilities of what we face after our release from the physical world. A Traveler's Guide to the Afterlife Mark Mirabello 2016-09-15 A grand survey of the world's death and afterlife traditions throughout history • Examines beliefs from many different cultures on the soul, heaven, hell, and reincarnation; instructions for accessing the different worlds of the afterlife; how one may become a god; and how ethics and the afterlife may not be connected • Explores techniques to communicate with the dead, including séance instructions • Includes an extensive bibliography of more than 900 sources from around the world Drawing on death and afterlife traditions from cultures around the world, Mark Mirabello explores the many forms of existence beyond death and each tradition's instructions to access the afterlife. He examines beliefs on the soul, heaven, hell, and reincarnation and wisdom from Books of the Dead such as the Book of Going Forth by Day from Egypt, the Katha Upanishad from India, the Bardo Thodol from Tibet, the Golden Orphic Tablets from Greece, Lieh Tzu from China, and Heaven and its Wonders and Hell from Things Heard and Seen from 18th-century Europe. Considering the question "What is Death?" Mirabello provides answers from a wide range of ancient and modern thinkers, including scientist Nicholas Maxwell, the seer Emanuel Swedenborg, 1st-century Buddhist philosopher Nagarjuna, and Greek philosopher Euripides, who opined that we may already be dead and only dreaming we are alive. He explores the trek of the soul through life and death with firsthand accounts of the death journey and notes that what is perceived as death here may actually be life somewhere else. He reveals how, in many traditions, ethics and the afterlife are not connected and how an afterlife is possible even without a god or a soul. Sharing evidence that consciousness is not simply a product of the brain, he offers a strong rebuttal to nihilists, materialists, and the Lokayata philosophical school of India who believe in the "finality" of death. He explains how specters and ghosts are produced and offers techniques to communicate with the dead as well as instructions for an out-of-body experience and the complete procedure for a séance. With an extensive bibliography of more than 900 sources, this guide offers comprehensive information on afterlife beliefs from the vast majority of cultures around the world and throughout history--a veritable "traveler's guide" to the afterlife.

Study Guide David L Johnson 2021-05-03 Most of us spend more time planning a vacation than we do planning for our destination after death. Once we die, it is eternal--so we should plan for the afterlife, and we should do it now. David Johnson and Richard Hansen reveal how in this study guide, which supplements *Training Guide for Heaven: Running for the Prize*. They show that getting to your desired destination does not require blind faith--it only means looking to the Bible. They provide convincing evidence that the Bible is true and that faith in Jesus is the only logical way to get to heaven. The study guide includes: main points of the book, with pertinent Bible verses; discussion questions for each main point; going deeper questions for reflection; quizzes to test your comprehension. Find out what it's like in heaven, how to get there, and how to earn crowns and rewards when you arrive with this study guide for finding and following the path that leads to heaven.

SCM Studyguide: Catholic Liturgy Peter McGrail 2018-10-31 Written by liturgists - pastoral and academic - who make up the Liturgical Formation Sub-Committee of the Department for Christian Life and Worship of the Roman Catholic Bishops' Conference of England and Wales, this studyguide offers an introduction to Catholic Liturgy. Covering the history, content and debates around the use of liturgy in the Catholic church, each chapter includes points for reflection, end of chapter questions, and an indication of further reading. A book-wide glossary is also provided.

The Case for Heaven Lee Strobel 2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

Testing Afterlife Stories F M Nissani 2026-03-08 Millions of people claim to have visited the afterlife. But do their stories agree with the Bible? Stories of near-death experiences, visions of heaven, and encounters with the departed are becoming increasingly common. Many people accept these accounts without question, assuming they reveal what lies beyond the grave. But do these stories agree with what the Bible actually teaches? Many people today are influenced by near-death experiences and stories about the afterlife. But what does the Bible actually teach about what happens when you die? This book explores the biblical view of death, the resurrection hope, and the final destiny of humanity. Testing Afterlife Stories examines the growing influence of near-death experiences and other claims about the afterlife, comparing them carefully with the teachings of Scripture. Inside this biblical guide you will discover: - Who alone possesses immortality - What really happens when a person dies - Where the dead are now according to Scripture - Why the resurrection-not immediate life after death-is the Christian hope - What the Bible means when it speaks about heaven - Who is already in heaven and what Jesus is doing there now - How to understand difficult passages such as the rich man and Lazarus and the Witch of Endor - The truth about hell, final judgment, and the second death - God's promise of a new heaven and a new earth If you want to test afterlife stories by the Bible rather than by experience, this guide will help you examine the passages that matter most. This book does not attempt to analyze medical or psychological explanations for near-death experiences. Instead, it returns to the foundation of Christian belief: the Word of God. When Scripture is allowed to speak clearly, a consistent message emerges. The Christian hope is not anchored in stories about the afterlife but in the promises of God--the resurrection of the dead, the return of Christ, and the restoration of creation. In Testing Afterlife Stories, readers are guided through key Bible passages that explain death, resurrection, heaven, and the final destiny of humanity. Perfect for readers seeking a clear biblical understanding of death, the afterlife, and the resurrection hope.

The Case for Heaven (and Hell) Bible Study Guide plus Streaming Video Lee Strobel 2021-10-19 Is there convincing evidence for eternal life after death? If so, what will our experience be like? What will it be like to see God face to face? In this five-session video study (streaming included), Lee Strobel--journalist and award-winning author of The Case for Christ--turns his talent for investigation on the biblical and logical case for an afterlife. The reality of death shapes our lives and faith. Most of us fear it or try not to think about it, regardless of whether we believe in eternal life or not. Lee--whose rigorous faith has been shaped by his past as an atheist--first considers his old unbelief: that we have only one life and when we

die, we cease to exist. What evidence is there to suggest otherwise? Based on his interviews with leading Christian philosophers, scientists, and theologians; Strobel unfolds the strongest arguments for belief in heaven, hell, and a glimpse into what these places will be like. Along the way, he explores common topics related to immortality; such as angels, Satan and demons, the reincarnation of the body, and doctrines like salvation through Christ alone. This study guide has everything you need for a full Bible study experience, including: The study guide itself--with discussion and reflection questions, video notes, and a leader's guide. An individual access code to stream all five video sessions online (you don't need to buy a DVD!). Journey with Lee Strobel in this exploration of heaven, and be drawn into a deeper understanding of the rationality and final hope of Christian beliefs. Streaming video access code included. Summary of Proof of Heaven Abbey Beathan 2018-06-08 Proof of Heaven: A Neurosurgeon's Near-Death Experience and Journey into the Afterlife by Eben Alexander | Book Summary | Abbey Beathan (Disclaimer: This is NOT the original book. If you're looking for the original book, search this link:

<http://amzn.to/2Er18Xd>) A harvard-trained neurosurgeon faced his own mortality and survived a coma that lasted 7 days. After he woke up, what he discovered during his slumber made him a believer. Driven into a coma and with no hope of surviving, Eben managed to pull through. However, in his 7-day slumber, he had vivid dreams about things he didn't know about, like a deceased birth sister he didn't get a chance to meet. He was puzzled, and as a scientist, he couldn't find an explanation. In the state his brain was, it couldn't have functioned at all. So, why did it? How could he know details about facts that he didn't know before? The answer changed his life for good. (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) "Our eternal spiritual self is more real than anything we perceive in this physical realm, and has a divine connection to the infinite love of the Creator." - Eben Alexander. Proof of Heaven tells the tale of his attempt to comprehend consciousness and his origin. After his coma, Alexander began his journey to prove we are conscious despite our brains, as if it's embedded to our very soul. The only answer he could find through all his research was within God, so he turned to Him. Alexander assures he found scientific proof to his theory and is willing to show us in his new book, are you willing to listen? P.S. Proof of Heaven is an extremely spiritual book that talks about how a non-believer turned to God in order to find the answers he was looking for. P.P.S.
