## **APES in a BOX: The Review Sessions**

Benjamin Wood 2013-02-01 APES in a BOX: The Review Sessions is a teachers edition of our popular APES Exam study guide APES in a BOX. The book is broken into 16 review lessons. Each session contains student notes, an AP style review quiz, and teacher rubrics for quiz grading. There is a bonus lesson on tips for the math portion of the exam. The most exciting part of this book is that we are selling it as a BLACKLINE MASTER with a single teacher license. This means that when you purchase a copy you will be free to make paper copies for all of your students! The license only extends to a single teacher and their students. Multiple teachers at the same school will need to buy separate copies for each teacher.
