EBOOK: Basic Marketing William Perreault 2013-04-16 Built on a strong foundation, Basic Marketing 18e with ConnectPlus and LearnSmart provides an integrated teaching and learning solution for presenting the four Ps framework and managerial orientation with a strategy planning focus. The Perreault franchise was the pioneer of the "four Ps" in the introductory marketing course. The unifying focus of Basic Marketing has always been on how to make marketing decisions in deciding what customers to focus on and how best to meet their needs. Consistent with our belief in continuous quality improvement, this edition has been critically revised, updated, and rewritten to reflect new concepts, new examples, recent "best practices," and to tightly integrate the best digital tools in the industry for ensuring that students are prepared to engage in classroom lectures and pursue future business and marketing careers.

Physics for Scientists and Engineers Raymond A. Serway 2003 The Companion Web Site (<http://www.pse6.com>), newly revised for this edition, features student access to Quizzes, Web Links, Internet Exercises, Learning Objectives, and Chapter Outlines. In addition, instructors have password-protected access to a downloadable file of the Instructor's Manual, a Multimedia Manager demo, and PowerPoint' files of QUICK QUIZZES.

Essential Genetics Daniel L. Hartl 2006 Completely updated to reflect new discoveries and current thinking in the field, the fourth edition of this classic text offers a student-friendly introduction to contemporary genetics. Designed for the shorter, less comprehensive introductory, course in genetics, Essential Genetics, Fourth Edition continues the success of Hartl and Jones' previous editions by including carefully chosen topics that provide a solid foundation for understanding the basic processes of gene, mutation, expression, and regulation. The text also gives students a sense of the social and historical context in which genetics has developed.
