Faith Reads David Rainey 2008-07-30 At last—a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers. Covering the three major branches of Christianity (Roman Catholic, Protestant, and Orthodox), the author organizes more than 600 titles into subject categories ranging from biography, the arts, and education, to theology, devotion, and spiritual warfare. Award-winning classics are noted. Introductory narrative frames the literature, and helps librarians better understand Christian literature; and learn how to establish selection criteria for building a Christian nonfiction collection.

Choosing a Bible Steven M. Sheeley 1999
Choosing a Bible offers practical information and advice to help readers evaluate English translations and editions of Scripture. Authors Sheeley and Nash begin with a brief history of the Bible in English, then explain the differences between verbal translations, dynamic translations, and paraphrases, presenting several examples of each. Next, they consider a variety of formats in which Scripture is available, including study Bibles, specialty Bibles, youth Bibles, and children's Bibles. In the closing chapter the authors suggest questions to ask when purchasing a Bible for oneself or for another person; they also offer advice on making good use of the Bible chosen. In sum, Sheeley and Nash offer a compact yet versatile guide for

anyone who may be choosing a Bible!

Mantled for Greatness Joshua Giles 2023-10-03

Unlock the Greatness of God Inside You

Something is stirring deep inside us—a seed of greatness buried just below the surface, daring to break forth. We know we are created for more, but are we actually equipped to handle it? Challenging you to think bigger, prophetic voice Joshua Giles helps you awaken to a vision, anointing, dream, and calling for your life that is greater than you can imagine. Through Scripture, stories, and sound prophetic insight, he helps you ● expand your capacity to house more of what God has for you ● embrace the small things that unlock the great things ● handle the pressures of divine assignments ● break through your limitations ● prepare for a net-breaking blessing ● catch your mantle God created you for greater things—and he's called you to a God-sized dream that will turn the world upside down.

Is the Bible Infallible? Carmel Paul Attard 2019-09-26 Christians believe the Bible is God's revelation: infallibly inspired by the Holy Spirit. *Is the Bible Infallible?* evaluates evidence for a divine or human origin, such as: Irreconcilable textual contradictions and myth-based accounts, Biblical cosmology's compatibility with modern science of the universe and solar system, Agreement of Earth's shape and age with geological facts and radiometric dating, Creation accounts' confirmation through fossil records and man's appearance or evolution, Transpiration of prophecies, historical accuracy, and miraculous accounts. The book discusses: The Bible's concepts of afterlife, heaven, hell, salvation, resurrection, and the soul, The meaning of "Gospel" and "Kingdom of God/Heaven". It also debates whether: Jesus is really the "Christ": the "Messiah" first promised to King David, The Messiah/Christ was supposed to suffer to redeem us from our sins, Jesus is God, the "Son of Man", and the "Servant of the

Lord", God is both a loving father and a violent judge.

Multipurpose Tools for Bible Study Frederick W. Danker 1993 This book grew out of classroom experience and demand for a textbook that would aid students in the selection of basic resources for biblical study and at the same time provide some guidance in the use of such tools. Beyond the classroom, the book served as a refresher course for ministers, and it provided specialists a shortcut to information beyond their own areas of research. These practical objectives remained undiminished in the preparation of the present edition.

The New Book of Christian Martyrs Johnnie Moore 2023-03-07 An inspiring keepsake that honors the heroic sacrifice of today's martyrs for the Christian faith—and shows how their actions mirror the courage of a long line of brave Christians. In the twenty-first century, we are witnessing an escalation in Christian persecution like we have rarely seen since the first century. Many people don't realize that today thousands of Christians are dying cruel deaths throughout much of the world. There were, in fact, more martyrs in the last century than in all the previous Christian centuries combined. Millions have given their lives since the fall of Rome, and today tens of thousands die annually for their faith in Jesus. Most of these modern stories are not legendary; in fact, many are unknown. The New Book of Christian Martyrs commemorates those modern-day heroes. In this update to Foxe's Book of Martyrs, Johnnie Moore and Jerry Pattengale highlight key martyrs of past centuries and feature stories of contemporary martyrs around the world. Through tears, Johnnie and Jerry offer this compendium of biographies from the first century to the twenty-first century, from Europe to Africa and from Asia to the Americas, to inspire Christians around the globe. A rich, moving look at church history, this book memorializes the courage and conviction of believers such as: The Apostle Paul Ignatius of Antioch Lorenzo Ruiz Grand Duchess Elizabeth of Russia Watchman Nee Today, we live in solidarity with them and in the next life, we will rejoice by their side. We will never forget their sacrifice for the truth.

thing holding back the spread of the gospel is the church. This book will teach me how to go deeper in my relationship with God so that I may become a more fully developed disciple of Jesus to help bring the gospel to the world around me.
