[Easy Web Page Creation](#) Mary Millhollon 2001 "Easy Web Page Creation" is the ideal Web-creation guide for people who want to build their own home pages but don't know where to start. The book proves that, armed with key facts about Web page mechanics and design concepts, people with average computer skills can skillfully build a professional-looking Web page with the resources they already have on hand, such as Microsoft "RM" Office 2000. It shows readers with basic computer skills but no prior publishing or design experience how to create a variety of Web pages -- from simple online community pages on MSN "RM" to full-blown multimedia sites using Microsoft FrontPage "RM". It also demonstrates how to plan, upload, and maintain a Web site, and it presents a wealth of tips and advice about good Web design practices. With "Easy Web Page Creation", Web site success is within easy reach of anyone -- from grandparents to Generation X-ers -- and any organization -- from hobby groups to government offices, and small businesses to established enterprises.
