Teaching Performance Expectations for Educating English Learners María V. Balderrama 2006 *Teacher Performance Expectations for Educating English Learners* addresses the needs of elementary and secondary teachers in multilingual classrooms, including second-language learning across multiple academic subjects. Renowned authors María V. Balderrama and Lynne Díaz-Rico provide in a single volume the techniques necessary to prepare teachers and other professionals to teach speakers of other languages and cultural backgrounds. This timely text is designed to be a comprehensive source of teaching techniques and effective educational practices, particularly those that meet California's standardized Teacher Performance Assessment that prospective teachers must take.

This book specifically addresses those standards by presenting explicit expectations that challenge teachers in multilingual, multiethnic classrooms.
