

3rd Grade Homework Packets

The meaning of THIRD is being next after the second in place or time. How to use third in a sentence. Aug 23, 2014 · Just a small remark: According to the English typography, the ordinal indicators are not written in superscript. In French or Spanish you do that, not in English. It's only Microsoft Word that implemented the feature years ago and since then, people think it's correct. It's a suffix. Ordinal numbers in English show the position or order of things—like first, second, third, and so on. They're used all the time in everyday English, whether you're talking about dates, competitions, floors in a building, or steps in a process. Feb 24, 2026 · The use of "3rd" comes from an old tradition of English spelling, where the "ir" in the middle of "third" hints at its position. "3th" could confuse readers and listeners, as it sounds like an error. Dec
