Student Notebook and Study Guide to Accompany The

Human Body Bruce Wingerd 2013-02-01 This Student Notebook and Study Guide, the ideal companion to Bruce Wingerd's The Human Body, reinvents the traditional study guide by giving students a tool to help grasp information in class and reinforce learning outside of class. Too often, students struggle to both learn the concepts presented and simultaneously record crucial information. The Student Notebook and Study Guide provides a structure for recording in-class material that

parallels the text's concept presentation, and includes supplemental questions and activities for assignment outside of the classroom. A complete answer guide for both the in-class and out-of-class materials is available online.
